Report on Student's Feedback (2018-19)

The Students' Feedback Committee prepared a Methodical Performa to get assessment by the students and their feedback. This Performa covered all the major points as mentioned below:

1. College Infrastructure
2. College Facilities
3. Courses and Teaching Faculty
4. College Employees including class 3 and class 4

The committee members were deputed to distribute these Performas to the students and collected them timely after filling by them. After collecting the complete feedback data, the committee summarized the whole assessment/feedback report and presented it to the Principal in a meeting held on _____. Out of the whole process the following were the major findings of the students' feedback along with their suggestions.

1. Problems of Transportation
2. Drinking water facilities
3. Sanitation and toilet cleanliness
4. To improve play ground facilities
5. Organized Systems in Sports
6. To improve quality of eatables available at Canteen
7. To improve Library Facilities
8. Problems and grievances with some of college employees
9. Applause for good performers among college employees

Action Taken by the Principal

After having close observation of students feedback, Principal Dr. Rishipal Bedi, called a staff meeting including incharges of concerned committees such as transportation, canteen, health and hygiene etc. on Dated He apprised them with the various problems, grievances and suggestions of the students. He directed them to improve the present state of affair for the betterment of the institution and students.

The Principal also informed those particular teaching faculty members who were personally/individually responsible for grievances and complaints like irregular classes taken by teachers, incomplete syllabuses etc. All these teachers were directed to improve their performance in future. The non-teaching employees were also intimated about their shortcomings in overall assessment and were directed for improvement in their performances. **All these employees (teaching and non-teaching) were warned and asked for strict compliance in this regard.**

The principal also appreciated those employees who did their job to the satisfaction of all in different fields as per assessment and feedback Performa of the students.
