SMART CLASSROOMS

Introduction :

Smart Classrooms are technology enhanced rooms/Labs that enhances opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, assistive listening devices, networking, and audio/visual capabilities. It is a solution designed to help teachers in meeting with new challenges and developing student's abilities and performance. It helps the teachers to access multimedia content and information that can be used for teaching students more effectively. It helps to create a quick FAQ session between teachers and students that actually makes a wonderful learning environment in the classroom. A smart class has digital display boards and projectors that are synchronized. A teacher can easily show some practical solutions from the web.

Details:

Learning Management System (LMS)

Shiksha Setu App:

To make information and tasks more accessible, DHE has developed mobile App for its teachers and students. It will offer wide range of features, such as Dashboards, Circular / News/ Events, Feedback, Notifications, Mark Attendance, Fee Detail, Health Detail, Results, Student Profile & Search, Image Gallery, Student Dashboard. 'Shiksha Setu' a common platform connecting teachers, students and administration for the Department of Higher Education.

Learning Management System:

A Learning Management System (LMS) is an online system or software which is used to plan, execute, and assess a specific learning process. In simple words, software used in eLearning programs and which helps in administration, documentation, tracking, and recording. Learning Management Systems are used to maintain online collaboration over the internet.

The Director,
Department of Higher Education
Panchkula, Haryana

To

All the Principals of Govt. Colleges of Haryana State

Memo No. HW 30/3-2012
Dated 07-03-2019

Subject: Regarding encouraging the use of Mobile App

In reference to the subject cited above.

I have been directed to inform you that the Department has introduced Shiksha Setu Mobile App. The teachers can perform the following on the app:

1. View student profiles
2. View/ Mark attendance and fetch report
3. Upload notices/circular and assignment
4. Create feedback
5. Apply for leave and NOC
6. View student fee details.
7. Access Dial DHE
8. Access Directorate Helpdesk

The students too can view Attendance, Notices, Scholarship, Fee Details, Gallery etc. Department has also sent the download link of mobile app to all students through SMS

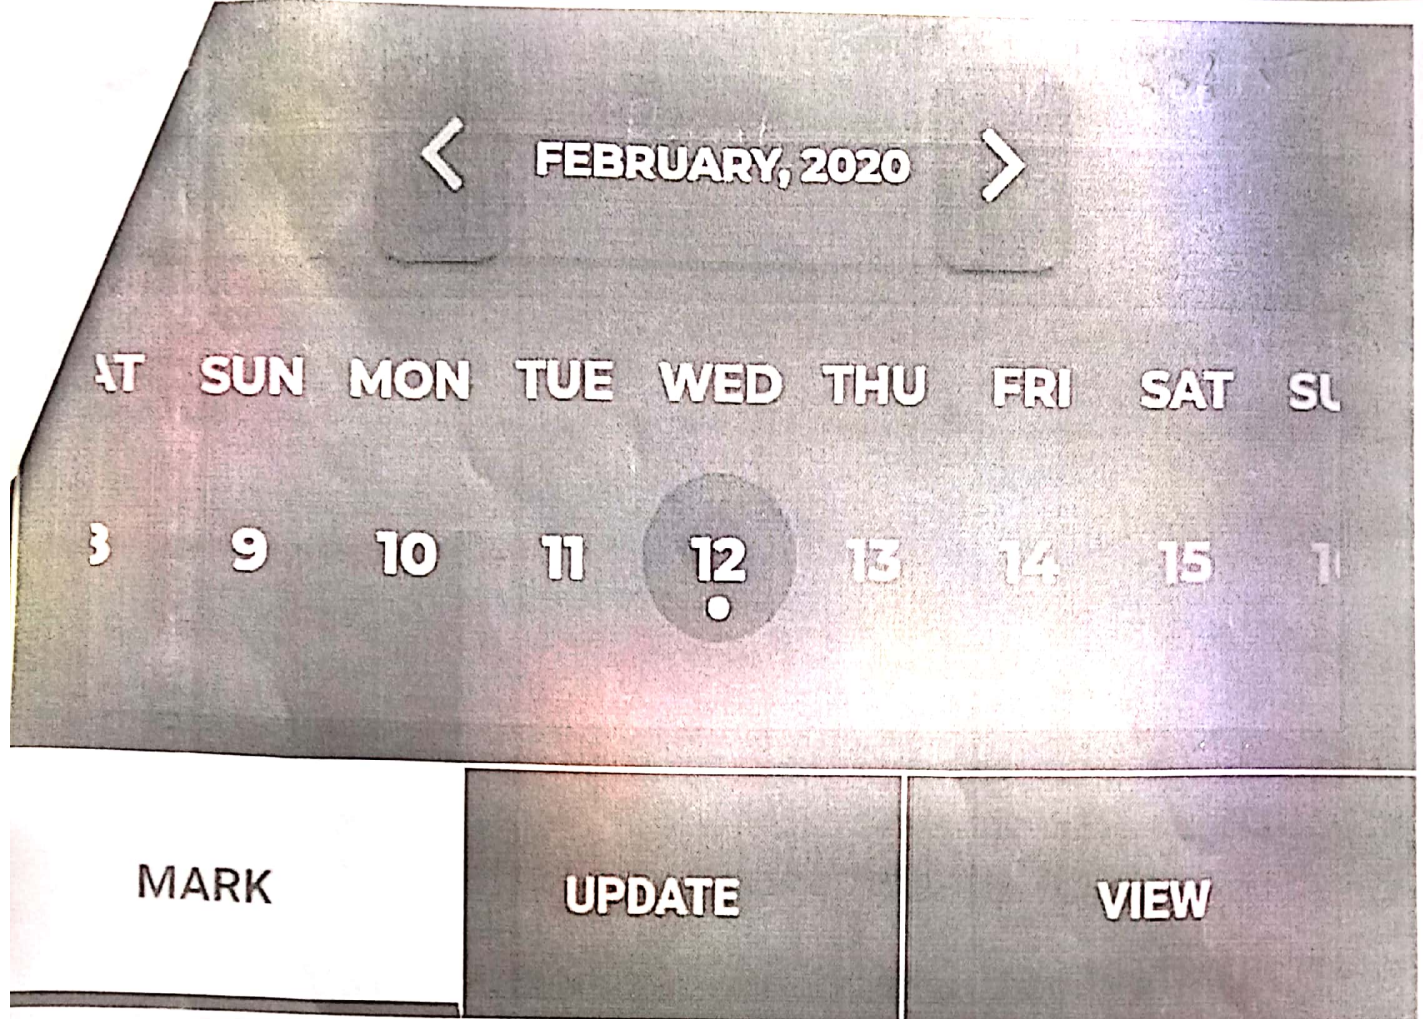

In view of above, It has been observed that not all colleges are using the mobile app. The colleges are thus, directed to encourage the teachers and the students to use Shiksha Setu Mobile App for marking and checking attendance respectively and notice for inter departmental and department to college communications.

ERP Registered users to download "Shiksha Setu Mobile App" from Play Store and login using same username-password same as that of DHE Web Based Application

We need your kind support for successful implementation
